IMPROVED BATTING

Was the Feature of the Stogles' Work During the Trip Last Week-Taylor Still in the Lead-All the Pitchers did Well.

The past week's campaign of the Wheeling ball club away from home (at New Castle and Youngstown) was most satisfactory in results. While the club made a disappointing showing at New Castle, where three straights were dropped, yet the protested game of Tuesday may become a Wheeling victory, and the last half of the week at Youngstown resulted in three straight for the Wheelings, making the record for the week three and three, even without the probability of it becoming four and two. The latter figures, by the way, are all that could have been expected reasonably had the club been playing on its own grounds.

All the pitchers did well, each scoring n victory and a defeat. Poole, Pastorius and Parvin are all in excellent form now and may be expected to keep up last week's good work on the slab. As will be seen by a glance at the following tabulated statement of the work of Wheeling pitchers and the team

BASE BALL COMMENT.

well the fore half of this week, for It is generally admitted Youngstown has a good team, which has been play-ing in hard luck. They have lost thir-teen out of the last afteen games.

The opposing pitchers this afternoon will be Pastorius or Wells and McFarland. Wells was not with the team last week, and consequently has had a good rest, and ought to be in fine fettle to-day. If he shows up well in practice he, will be stacked up against the visitors.

O'Rourke was expected to arrive from the yest early this morning. Manager Lytle says O'Rourke will be played at short, Lyons at second and Taylor in left field. This diposition of the play-ers adds great strength to the team, es-pecially in hitting.

If Wheeling wins to-day and Grand ids loses or does not play the Sto-will advance into sixth place.

Bammert has been released.

Carter, who pinyed left field for the home team in one of the Youngstown games, is a youngster recommended by Poole. He is a promising player, and with practice and training will develop into a good man.

The West Virginia University base ball team closed its season Saturday with a game against the Scottdale Athletic Club, winning by a score of 21 to 1. The home team won twelve games and lost five during the senson, and is I. The home team won twelve games and lost five during the senson, and is entitled beyond dispute to the champtonship of the colleges of Western Permsylvania and West Virginia who are in the association. The team was one hundred per cent stronger at the close of the season than it was at the beginning. The outlook for next year is flattering. In Printz, Bowman and Dent the university will have three first clas pitchers, and Shelby has developed into a star catcher. McWhorton titled is the best all-round player the university ever had, Dickey at second improved wonderfully. All of these will be here certainly, and Deming will likely return. The long-looked for athletic field is nearing completion, after two years spent in grading. It was made almost entirely out of the side of a hill.

BOXING CARNIVAL

Opens To-morrow Night With the Matthews-Bennett Go.

To-morrow night, at the Metropolitan Athletic Club's Fulton arena, will occur the first of the two boxing contests to be given during the Elks' carnival. The card is a banner one, and equal to any Lenox club attraction, bringing as it does together two such famous lightweights as Matty Matthews, of New York, and Jack Bennett of McKeesport, Pa., who are scheduled to twenty rounds, Oscar Gardner will

referee.

Matthews, accompanied by his manager, Fred Fox, who also looks after Joe Hopkins' interests, arrived here from Youngstown Saturday, fresh from his victory over Charley Burns, whom he put out in six rounds.

This job stamps Matthews as a cracker-jack, but it is only one more scalp to a pretty heavy belt. Matthews has secured a decision over Tommy Ryan and a host of the best in the land and is due to meet Frank Erne or "Kid" Lavigne next, provided he whips Bennett. He has secured Rudler's place, out the pike, for his truining quarters.

Jack Bennett was born in England twenty-one years ago and started in

quarters.

Jack Bennett was born in England twenty-one years ago and started in the ring at an early ago. He has made a brilliant record, his last fight being with "Kid" McPartland, in New York, and while he lost he made a splendid showing against the more experienced boxer. He is fast and clever and he and Matthews will put up a royal battle. Bennett is generally seconded in all his fights by his father, and the latter will doubtless be behind him to-morrow night. Bennett is expected to arrive here to-day.

The club has matched George Tucker, for a ten-round preliminary to a decision. This contest will be lively from the sound of the gong. For Thursday night Dan Creedon or Dick Moore will go against Harry Fischer in piace of Dick O'Brien, whose illness prevents him from tackling a tough proposition like Fischer, as he stated in an explanatory telegram to the club. Either man will do.

"DUTCH" NEAL DEAD

As the Result of a Ring Contest in Chicago Last Week. CHICAGO, July 25.—"Dutch" Neal,

the St. Louis pugliist, who fell unconscious in the ring last Wednesday night, in the sixth round of a glove contest with Harry Peppers, the California middle-weight, died to-day with-out having regained consciousness. Neal's death is attributed to a blood clot on the brain, resulting from over-exertien while in an unfit physical con-dition. Peppers was arrested as soon as

dition. Peppers was arrested as soon as it became apparent that Neal's condition was serious, and is now in fall in default of \$2,090 bond.

The battle which resulted in Neal's death was a six round contest for a purse. Neal was given two weeks' notice, but when he appeared in the ring he was so fat and habby that his condition caused comment. After a minute's sparring Peppers landed a light right on Neal's ear. The blow unbalanced the St. Louis man and as he reeled sideways, one of his feet slipped and he fell to the floor of the ring. Referee George Siler had just finished counting ten when Neal rolled out of the ring on the floor, his head striking with a noise ten when Neal rolled out of the ring on the floor, his head striking with a noise that was heard throughout the build-ing. He got up a moment later, but soon became unconscious, and remain-ed so until he died.

Police officials said to-day that no further arrests would be made in the case for the present at least,

It is to operatives whose work makes them peculiarly liable to lung disease that Dr. Pierce's Golden Medical Discovery comes as a priceless boon. It positively cures deep seated and obstanate coughs, bronchial affections, bleeding of the lungs, and other diseases which if neglected lead to consumption.
